Xtreme Turbo 30

INFINITY-∞+

Only 30 minutes to full charge your accumulators!

Ultra-fast and safe-in-use battery charger.

If you need high quality charger, Xtreme Turbo 30 is your choice!

Four independent charging circuits allow safe charging of AA and AAA cells (Ni-MH) of different capacities simultaneously.

Built-in fan speeds up charging time while the microprocessor prevents cells from overheating and overcharging. LED indicator informs about charging status and indicates any irregularity. Supplied car cord guarantees full comfort of use.
