UniRapid

INFINITY-∞+

3-in-1 charger for easy charging anywhere!!!

Fast and universal 3-in-1 charger (includes external AC adaptor, car adaptor and 4-pin USB cable). The package contains four long-lasting PENTAGRAM Infinity 2400 Xtreme accumulators.

Pentagram Infinity UniRapid USB is a battery charger designed to charge Nickel-Metal Hydride (Ni-Mh) batteries. It can charge 2 or 4 AA or AAA cells of different capacities simultaneously. Advanced technology design prevents cells from overheating and overcharging. Supplied car cord and USB cord allow easy charging anywhere
